An incandescent leader, a charismatic visionary, a fervent entrepreneur Dr. Vijay D. Patil is a shining beacon in the field of education, sports and health care in young India. Applauded and recognised in all three fields around India his quest for delivering the best in each domain continues to prevail. He strongly believes in developing and delivering state of the art projects that will differentiate and sustain for years benefiting young India.

**Education**
A computer engineering himself from the prestigious Mumbai University makes him very approachable for students, staff and faculty. Students interact with him regularly on learning and teaching experience such that the collaboration between faculty and students is a strong bond.

**Sports**
Dr. Vijay D. Patil is instrumental in envisioning and creating the internationally acclaimed multidisciplinary DY Patil Sports Stadium first time in India. It is an architecturally challenging project that brought in many new technologies that India sports stadiums never experienced. The 40,000 seater stadium is rated as the words 6th best cricket stadium by the Architect’s Journal of Britain. The DY Patil University is the first of its kind to invest into grassroots sports development infrastructure making it a complete university experience.

**Healthcare**
A vision from the founder Dr. D Y Patil to create a medical facility for lower income segment of growing India is compassionately followed Dr. Vijay D. Patil. Today the campus is proud to have 1,500 bed charitable hospital offering low cost healthcare facilities to many. The DY Patil hospital is driven by Dr Vijay D Patil to ensure DY Patil University contributes little by giving back to the society and local communities.
“Learning is not the filling of a pail, but the kindling of the flame.”

Mrs. Shivani Patil has been a guiding force that spearheads growth at the DY Patil Group. Her unmatched passion towards the institution's initiatives and larger goals has helped the DY Patil Group scale new heights. She has constantly and increasingly strived for the all-round development of our institution's students, staff and the society at large. She has always emphasized that deep attention always be paid to the learning environment that is provided to our students, the opportunities for growth we are able to create for our teaching and non-teaching staff and how we can help facilitate social mobility within our community.

Mrs. Patil has been the driving force behind the flourishing culture at the DY Patil Group. She has ensured that each member of the team at the DY Patil Group is aligned with and equipped to contribute to the larger vision making their experience with the group a fulfilling and thriving professional journey. She has made sure that quality education is carefully nurtured in the environment of our University. Due to her proactive interest in extracurricular activities, the University has provided a multi-faceted exposure to students in various realms of life and helped in transforming their personalities. As the managing trustee, she leads key parts of the group's strategic trajectory making the vision focused on delivering a top-notch educational experience, a reality and helping build the DY Patil Group into an inspirational institution to be associated with.

Mrs. Shivani Patil truly believes that the future of our country and our world lies in the hands of the youth and they must, therefore, be supported in every manner possible to build a future they truly seek. It is her mission to foster students who are committed to making an impact in the ecosystem, and also, empower teachers who can facilitate learning of the highest order and to create a stimulating environment that can help answer this clarion call of the world.
We provide students with an immensely transformative experience that prepares them for a life of advancement, innovation & success. We intend to set the standard for quality education at a global scale for centuries to come. The Focus of our University is ‘Learner Centric’. Today our endeavor is to prepare the students for life and careers in a rapidly changing world. We nurture critical thinking and provide an apt environment for personal, intellectual & professional growth.

We are not an institute but an experience where everyone associated is part of a dream, a mission to see that we nurture truly great leaders. We are known across the globe for imparting practical, industry focused education, and attract the best students. The fact that our alumni are working in the best companies across the world is a testament to our extremely talented faculty who teach by example and significantly contribute in the overall development of the students.
