Sub: Mandatory for all ODL and Online Programmes to have Academic Bank of Credit (ABC) IDs of enrolled students and to deposit student credits with ABC.

Sir/Madam,

With respect to the above subject, I am to inform you that the Academic Bank of Credit (ABC), as envisaged in the NEP-2020, is a National-level facility to promote flexibility of curriculum framework and interdisciplinary/ multidisciplinary academic mobility of students across the Higher Educational Institutions (HEIs) in the country with appropriate "Credit Transfer" mechanism.

The ABC provides each of the students the facility to open a unique/individual Academic Bank Account in digital form. Each account holder is provided with a unique id. The major functions of ABC are registration of HEIs under the ABC scheme and, opening, closure and validation of academic accounts of students, credit verification, credit accumulation, credit transfer/redemption of students and also promotion of the ABC among the stakeholders.

Accordingly, based on the communication vide D.O.No.16-2/2021-TEL dated 20.10.2022 from the Ministry of Education (MoE), the HEIs are advised to adopt the Academic Bank of Credit (ABC) and mandatorily create Academic Bank of Credit (ABC) IDs for enrolled students in ODL and Online Mode and deposit their credits with ABC. Further, the Learning Management System (LMS) of your HEI should be integrated with ABC Portal.

In this regard, the help manual for creating ABC IDs for students through the DigiLocker portal is attached herewith for ready reference. In case of any further queries, you may write an email to gaurav.khare@digitalindia.gov.in.

In view of the above, HEIs are requested to comply as requested above and communicate the compliance status by 9th November, 2022 to vsvadav.ugc@nic.in and vinodsinghyad@gmail.com

Yours faithfully,

(Rajnish Jain)
